

# ASIA INFRASTRUCTURE FORUM

📅 2-3 August 2022

📍 Sands Expo and Convention Centre, Singapore

## SCALING UP SUSTAINABLE INFRASTRUCTURE

The World Bank has reported that the infrastructure sector has shown signs of recovery, with investment levels increasing in some countries in Asia. There is consensus within the sector to transition towards sustainable development. This presents opportunities for Asia to scale up infrastructure to ensure a sustainable future for all.

The Asia Infrastructure Forum is the foremost platform for infrastructure players and thought leaders to convene and have in-depth discussions on the latest development and sustainable solutions in regional infrastructure as well as galvanise collaboration to scale up and deliver the next generation of sustainable infrastructure in Asia.
